

## Covenant Promises in the Hebrew Alef-Bet

I am **אֶהְיֶה** [YHWH],  
*the Self-existent One.*  
*I thought of you.*  
*I designed you.*  
**I am your forever Father.**  
**All I want**  
**is to be with you!**

*I am sheltered in your body –*  
*dwelling in you*  
*as you dwell in Me,*  
*the Seed of potential*  
*within your womb...*

**...as you journey**  
**to completeness.**  
**I lift you up and release you,**  
**like a bird out of a cage.**  
**Now, fly!**  
**I am with you.**  
**You are My messenger,**  
**My ambassador, My feet...**

...on this *earth*.  
I open the *door*  
of My heart to you.  
I always have time for you.  
I am *accessible*.  
I give you *opportunities*  
to flourish when you  
stay on the *straight path*.

As you *breathe Me in*,  
I *reveal Myself* –  
My peace and truth,  
My perfect ways.  
I watch you *on stage*  
as you *expose*  
My loving-kindness  
and right-ruling.  
I am proud of you, My child.  
You are a name of joy to Me.

I *connect* you to Myself.  
We are *linked*.  
This is My *vow* to you.  
You are *secure*.

*I cut you off  
from the ways of the world,  
the common and conventional,  
and equip you for conflict.*

*I adorn you  
with the key to My heart,  
My Alef-Bet.*

*I enclose you  
in My safe place  
of abundant provision,  
My fortress.*

*You are home,  
hugged,  
protected.*

*You have access  
to everything  
in My treasure chest.*

*I set you apart  
like a jewel  
in a gold setting  
and mark you as My own.  
Whatever is Mine  
is yours.*

I *created* you  
with My own *hands*.  
You are *Mine*.  
Now I am *re-creating* you.  
Feel My hands *shaping*  
and *fashioning* you  
into a vessel of honor.  
I work...

...to *filter* you  
through the gift  
of *Torah*.  
I *separate* you  
unto Myself.  
My *outstretched hands*  
*cover* you  
like warm *wings*  
*cover* a baby bird.  
This is our Secret Place.

I *teach* and *guide* you,  
*planting seeds*  
of Wisdom.  
*Learn* from Me.  
My *language*  
is on your lips.

I tenderly *wash* you  
in the *Water of Life*.  
Be *clean*!  
Now wait  
with *hopeful anticipation*  
because the seeds  
I *nurture* in you...

...will *burst forth*  
like *sprouts in spring*!  
You are *alive*  
with the *Breath of Life*.  
This is the 卐 [miracle]  
of *rebirth and renewal*.

*Persevere!*  
*Forge ahead!*  
*Advance...*  
one step at a time.  
I *nourish and sustain* you.  
My promises *support* you.  
I *carry* you, My child.  
I am the *Source of Life*.

With heavenly *Wisdom*,  
*understand* My ways  
of compassion  
and justice.  
*Examine* My life.  
With *clarity*  
and *singleness of vision...*

...let your *mouth speak*  
only words of Life.  
*Publicize* My Words.  
*Discuss* My commands.  
*Explain* My sayings.  
*Communicate*,  
*connect...*

It is a *high calling*,  
and you are  
the *epitome of excellence!*  
Raise the *flag* of victory  
over your *fort!*  
*Blossom*  
like the rose!  
*Metamorphose*  
like the butterfly!  
I *transform* you.

P

*Rise up to the Beauty Realm  
and then return.  
Encounter My eternal  
with your temporal.  
Combine Divine Power  
with human strength,  
the two voices of one.  
Emerge, pure and untainted,  
unto eternity.*

9

*I exalt you,  
My prince, My princess.  
You are mature fruit  
on the Tree of Life.  
Display My majesty  
for you have seen פָּנֵי [YHWH]  
face to face.*

W

*Shine!  
Sparkle,  
My precious gem –  
refined,  
radiant,  
perfect,  
pure.*

**As I have *spoken*, so it is.  
I have *kept My Word*,  
My *Covenant* to restore you.  
You are healed.  
You are whole.  
My *plan* for you is *complete*.  
It is *finished*.  
*The end*.  
*Infinity*.  
Now let's do it *again*!**

*"I am My Beloved's and My Beloved is Mine."* Song of Songs 6:3
